

PT061 Utility Belt

With the PT061 Utility belt, your PT600 Portable Terminal will always be at hand and ready.

Manufactured from mountaineering-grade black nylon webbing and Fastex®-type nylon buckle, the PT061 is double-thick and stiffened on the right-hand side to handle heavy loads without deforming. The PT061 also includes a 35" long take-up reel in it's own belt pouch - so you can reach your PT600 almost anywhere without having to unhook.

Features:

- 1.5" wide webbing belt.
- Double thickness and stiffened on RH side.
- Fastex®-type nylon buckle.
- Removeable take-up reel.

Material:

Belt: 1.5" Mountaineering-grade nylon webbing
(Double thickness and stiffened on right-hand side)

Length

Belt: 50 inches (1270mm)
Take-up Reel: 35 inches (890mm)
